Critical Client Information

Personal Information

The Federal Privacy Act 2000 sets out standards for the collection and management of personal information. With your consent, we will only use your personal information for general insurance services.

Complaints

Clients not satisfied with our services should contact our Complaints Officer. We are members of the Financial Ombudsman Service (FOS), a free consumer service. Further information is available from our office, or contact FOS directly on 1300 780 808 or visit www.fos.org.au. We also follow the Insurance Brokers Code of Practice.

Compensation

We hold a Professional Indemnity Policy. This policy is designed to pay claims by Third Parties (including our clients) arising out of our Professional Negligence. The policy extends to covers us for work done for us by representatives/employees after they cease to work for us and satisfies the requirements for compensation arrangements under Section 912B of The Act.

Contact Agreement

To ensure that we provide you with appropriate products and services, you agree to us calling you to discuss any new products and services. If you do not wish to receive such calls please advise us and we will place you on our Do Not Call Register.

Our Sources Of Income

When placing your insurance we usually receive a commission from the insurer. The amount varies between 0% and 25% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended we will usually retain the commission on any return premium involved.

If you are a Retail Client and we give you Personal Advice, commission amounts will be provided in any SOA or (where an SOA is not required to be provided) included on any relevant invoices. When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

We have a set of standard non refundable Broker Fees that we charge you for services such as:

- Market research on products available.
- Assessing the claims service of insurers.
- Sourcing alternative quotations and coverage.
- Risk analysis and portfolio co-ordination.

All fees payable for our services will be advised to you at the time of providing the advice or service. We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if we meet certain agreed sales and/or profitability targets set by the insurer. If we have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer. If you pay by credit card we may charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices, they are non refundable. This fee covers the cost of bank charges etc. associated with such facilities.

Premium funding products enable you to pay your premiums by installments. Premium funders do charge interest. We can arrange premium funding if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. We will tell you the basis and amount of any such payment if you ask us.

How Our Representatives Are Paid

Our representatives do not receive any benefit directly from the sale of a product to you. Our representatives may receive bonuses payable based on the overall performance of our business. If a person has referred you to us, we may pay them a part of any fees or commission received. If you are a Retail Client and receive Personal Advice full remuneration details will be disclosed in the SOA or invoices related to the advice.
